MCF MegaCom Film CV

Name of the Company:  
MCF MegaCom Film, Belgrade, Serbia

MCF MegaCom Film is the youngest distribution company in Serbia. We have distributed plenty of cinema titles, and we also have released on video and TV.

In a last 3 years our company had been distributed over 50 independent movies, also few very important domestic films.

These films were very prominent on numerous International B.O. hits and film festivals.

We had over 100 movies distributed on DVD, including domestic movies.

MCF usually covers, with film rights, Serbia, Montenegro, Macedonia, Bosnia and Hercegovina. Our primary activities are movie distributions for Cinema, TV and Video.

Important fact is our success in different regional markets and the proof is our presence in program of all regional film festivals.

We have high level of cooperation with regional and local cinemas. Very often we organize movie days, where we have good admissions and high references.

We have very strong cooperation with lot of foreign companies and Institutions (Wrigley's, ProCredit Bank, Microsoft, Chipita, Samsung etc) which provides mutual and constant support for each film our company release and distribute. The best argument is numerous promotional and other activities we have made together, for almost every our film.

Our company is already known as company which realises independent titles, so this opportunity is great challenge for all of us, not only to expand also to improve and learn.

Participation to different kind of projects, festivals, film days and etc. are enabled with different film selection. Regarding to that, we organize:

### **Kid's Film Festival**

in Serbia. We always try to find new ways to represent the best independent movies not only for adults, also for kids.

Imaged like place where children can see good films from worlds festivals, in defeat of domestic production, but place where can also learn and have fun in a numerous workshops.

In October 2008. 4th KIDS FILM FESTIVAL will represent 16 kids movies from all around the world. Engaged in workshops were Organizations Center for children rights, UNICEF, National Geographic Junior etc.

### **Author's Film Festival Belgrade**

Our company was executive producer of this important festival for our country and has successful back in Belgrade's cinema's. According to our tending this festival showing very important movies and respectable directors. The audience of this festival is mostly young, and this is unique opportunity for them to see best movies in one place.

Festival had 40 movies, a lot of workshops and as a guests, artists from Serbia, and abroad.

In a next year we are going to produce two feature films, one documentary and one TV show for kids. Important project dedicated to a children is TV show "WOODEN SCHOOL" which will be shown on national broadcasting service. It have 260 episodes.

### **MCF RECORDS**

One of the serious part of our company are work on music production in MCF Records which IS THE RECORD LABEL UNLIKE ANY OTHER ON THIS TERRITORY

MCF Records is a brand new record label whose aim is to offer the alternative choice and to help you to overcome the pressure of profane everyday's music. There is an alternative and it is in front of you.

MCF Record releases, ranging between the legendary, and most talented new groups, whose music overflows the realms of the small country where it was created.

Some of titles from our labels was many weeks on the top five lists of sales in whole ex YU.
